Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smirnoff Ice and Smirnoff Ice Triple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

- I like FMBs just the way they are.
- These changes will be expensive and I could end up paying more.
- The federal government shouldn't waste my tax dollars changing the way my favorite drinks are made.
- I don't want these proposed changes.
- The federal government should handle bigger problems like creating jobs and improving the economy.

Thank you,
