INSTRUCTIONS

1. **GENERAL.** The consignor shall make application on TTB F 5110.31 *(original and 5 copies)* for each consignment. Separate applications shall be filed for shipments in barrels, drums, or similar packages and for shipments in bulk conveyances. Only spirits produced under one formula may be shown on the same TTB F 5110.31. The serial number shown in Item 1 shall be prefixed by the last two digits of the calendar year, e.g., "86-1."
2. **PART I.** The consignor shall complete Part I of TTB F 5110.31 and deliver all copies to the revenue agent. The address of the Director, Puerto Rico Operations of the consignee's region shall be entered in item 3. Contact 1-877-882-3277 for information on where to send this form.
3. **PART II.** The revenue agent shall determine that the spirits are properly described in Part I and shall gauge the spirits. After executing the certification in Part II, he will retain one copy of TTB F 5110.31 and of the package gauge record if any, and forward the remaining copies to the Secretary.
4. **PART III.** If the application is in order, the Secretary will complete Part III, retain one copy of TTB F 5110.31 and of any accompanying package gauge record and return the remaining copies of each form to the consignor.
5. **DISPOSITION BY CONSIGNOR.** On receipt of the approved forms from the Secretary, the consignor will retain one copy of TTB F 5110.31 and of any accompanying package gauge records, dispatch one copy of each on the vessel concerned for the guidance of the customs officer who will inspect the cargo at the port of arrival in the United States, and forward the remaining copies of each, by mail, to the District Director of Customs at the port of arrival in the United States.
6. **PART IV.** On receipt of all copies of the TTB F 5110.31 and any related package gauge record, the customs officer shall inspect the shipment and report the results on TTB F 5110.31, Part IV. If the seals on bulk containers are intact, the shipment will be released. If the seals are not intact, they shall, before release of the shipment, be replaced by customs seals. Each barrel, drum, or similar package, which appears to have sustained a loss, shall be weighed and reported on the package gauge record in triplicate. On completing the inspection, the customs officer will execute his certification on all copies of TTB F 5110.31. He will retain one copy of TTB F 5110.31 and of any related package gauge record. On release of the spirits, he will forward the original and remaining copies of each form to the consignee.
7. **PART V.** The consignee will complete Part V of TTB F 5110.31, retain the copy and the copies of each package gauge record and forward the original of each form to the District Director, Investigations.
