Deai Chief Regulations and Procedures Division:

I enjoy drinldng flavored malt beverages like Srnirnoff Ice and Srrumoff Ice Triple Black. I oppose the proposed regulation in 'TTB Notice No. 4 requiring a change in the way these drinks are made because:

- I like FMBs just the way they are.
- Companies should make the changes the consumers want, not what the government demands.
- The federal government should handle bigger problems like creating jobs, improving the economy and protecting us from terrorists.

Sincerely,
